I Was Very Affected By Letters My Brother (Frankie - Who Did 3 Tours In Vietnam) Was Sending Me From Vietnam, As Well As The Social Situation Here At Home. I Realized That I Had To Put My Own Fantasies Behind Me If I Wanted To Write Songs That Would Reach The Souls Of People. I Wanted Them To Take A Look At What Was Happening In The World". WHAT'S GOING ON Would Most Def Be The Vinyl That Was Spinning In The Homes Of Our BLACK VIETNAM VETS Like PAUL, OTIS, MELVIN, EDDIE And NORMAN, When DA 5 BLOODS Returned From The War To The War At Home. INT. TAXI - HO CHI MINH CITY - VIETNAM - DAY

1

OTIS, A youthful 69, The Rock Solid, Medic of The Squad, he kept them all alive. A Family Man who recently lost his Wife to Breast Cancer. He's now alone and lonely. In the back seat with him is PAUL, 69, Stormin' Norman's Main Man, now full of Blue Collar resentment. He has a paranoid intensity and a Hair Trigger Temper that's only grown worse with age.

OTIS

Twenty hours in the air. My Black Ass is officially kicked.

Otis rotates his stiff neck and arches his sore back. He pops a Pill chasing it with bottled water.

PAUL

Can't believe we back in Dis Bitch, Saigon.

OTIS

No Saigon. Ho Chi Minh City, Baby.

Paul and Otis looking out at how the City has changed. Skyscrapers, Office buildings. A New Modern Beautiful City!

PAUL

Damn Hands sweatin'. Ain't felt dis way since the last time I was "In Country."

OTIS

Hey, you the one suddenly got all Gung Ho about returning. You knew I always had my reasons to come back.

PAUL

Yeah, times running out. We ain't getting no younger. I Dream about dis damn place every night. Maybe this'll put my PTSD Shit in check.

OTIS

Tell me 'bout it.

PAUL

Y'know, Man, my memories grow old wit' me.

OTIS

What do you mean?

PAUL

Da incidents never change, but I do. I age within da memory.

Otis listens. You can see he is realizing it too.

OTIS

Yeah, weird, like the memory changes with you. Like an update.

PAUL

Shit always stays current. I can't get this Country out my head, now here I am, back in dis God forsaken place of my own Free Will.

OTIS

I recall back in 68' somebody tellin' me he volunteered to serve his "Country, Tis Of Thee."

Paul has to grin.

PAUL

See you remember dat Shit.

OTIS

Oh Yeah, that's when we knew like Richard Pryor said... Dat Niggas crazy.

PAUL

You got to understand back then, I was Young, Cock Strong, Dumb as a Rock. There's a reason dey don't send Old Men to Fight in The War.

OTIS

We wouldn't go.

PAUL

You damn right. We know Death is Real. When you Young, you think you Ain't Never Gonna' Die.

Paul hands Otis something. We don't see it. Otis looks at it, then he looks at Paul, who remains silent. Otis slips the envelope in his jacket looking out at the passing City.

OTIS

Yeah, War is hell. I just keep tellin' myself. We're doin' it for Norman.

2

INT. HOTEL MAJESTIC - HO CHI MINH CITY - VIETNAM - DAY 2

EDDIE, also 69, was one of the few Black Battle Photographers. He's dressed in affluent Southwest style, owner of a string of Car Dealerships, who has gone through numerous Wives and Gallons of Courvoisier. He gives Paul a Big Bear Hug longing for a Bloods Reunion for years. Eddie does however have one pronounced FLAW, He is Pigeon Toed - A LOT. Da Bloods DAP each other up.

EDDIE

Gawwwdamn!

MELVIN

Damn, Eddie. You still Pigeon Toed. Couldn't get that fixed?

EDDIE

Decided not to. Why Bother? Da Ladies Love It. And also did y'know Jackie Robinson, John Elway, Agassi, Messi, Neymar, Mookie and Michael Jordan are Pigeon Toed too?

MELVIN, 65, so desperate to enlist he lied about his age, then learned War Kills and developed a "Live For Today" selfish attitude that made him among things a Pussy Hound. He dresses and acts way too Hip for his age. He nears Otis breaking into a elaborate "Dap" handshake from Back In Da Day. They all laugh! Melvin holds his hand up to give Paul some "Dap."

PAUL

I can't remember none of dat Foolishness.

They hug. It's an Explosive Reunion as Otis and Paul greet Melvin and Eddie after so many years.

EDDIE

Man, it's good to see ya'll!!!

OTIS

Can you believe dis Shit?

MELVIN

I'm tellin' ya! It's a Stone Cold Trip US bein' back in Country. MAN!!!

OTIS

Yeah, we stepped off dat Plane and that Heat slapped us right upside da head just like back in '68.

EDDIE
Brother Man, We are back!!!

MELVIN
Da Bloods iz back!!!

PAUL
Da Five Bloods don't die, We just
Multiply!

Melvin does a SLAP shake with Otis. Otis corrects.

OTIS
Soon to be Five...

A joyous moment of silence.

MELVIN
...Amen.

ANGLE - CHECK IN DESK

Eddie SNAPS photos of the Bloods with his Nikon Camera. It's the same one he had during his Stint in Nam.

OTIS

OTIS (CONT'D)
What happened to all those pictures
you took Back in the Day?

EDDIE
Had some Exhibits. Officially they
were the U.S. Army's not mine.

Eddie hands Otis a B/W Photo. Otis is immediately moved.

OTIS
Check this out.

Melvin and Paul gather around seeing...

A PHOTO of STORMIN' NORMAN in his Hooch. On his Wicker Chair Throne, M-16 in one hand like a Black Panther Huey P. Newton.

MELVIN
DAMN! Brother Man in all his Glory.

Paul stares at it longer than the others.

Eddie SLAPS his American Express Black Card down speaking to The Hotel Clerk KMUE.

EDDIE

Sir, make sure all Four of The Rooms are on My Card.

PAUL

No Thank You. I'm good.

EDDIE

On me. Remember?

PAUL

No, I got mines.

EDDIE

What? Come on, we agreed...

OTIS

...We talked about this.

PAUL

I'm not your Welfare Charity Case.

EDDIE

Nobody said that.

PAUL

We all know yo' Black Ass Da biggest Car Dealership in Da Fuckin' World. Keep your money.

EDDIE

I see your Head is still Hard as Hell.

PAUL

Like My Swanson Johnson.

EDDIE

You haven't changed one bit.

Before it's too late.

Eddie stands with his drink.

EDDIE

Man, I called some Kid "Brother"
the other day and he looked like he
wanted to Fuckin' kill me. Listen
to us. Each one of us out for
ourselves now. Back in the Day
being a Brother meant something. We
fought against The Man. We loved
each other! We became Ace Boon Coon
Blood Brothers in that Damn Jungle!

PAUL

Stormin' Norman demanded it!

Otis stands, also declaring The Mission.

OTIS

Damn right he did! We died for a
Cause that wasn't ours, for Rights
we didn't have. This time! We do it
for a Brotherhood we done forgot...

EDDIE

...But God willing, never lost.

They DAP UP as Otis sees VINH TRAN, their Vietnamese GUIDE,
he walks up shaking Otis' hand with a warm smile.

OTIS

Bloods, this is our Guide Vinh.

VINH

Gentleman, welcome back to Vietnam.

ANGLE - PATIO TABLE

Vinh is seated with the others. He opens a Folder, passing
around printed itineraries.

VINH (CONT'D)

I still think hiking into The
Jungle without me as your Guide is
a Big mistake.

Da Bloods look over the itinerary, satisfied.

PAUL

We know dat Jungle.

VINH

You have the necessary Documents?

Otis pulls out an Envelope and removes Two Sheets of paper.
He passes them to Vinh.

OTIS

From The Pentagon and The
Vietnamese Government. We locate
Norman's remains, DPM Double A will
send a Recovery Team to bring him
Home...

PAUL

...Arlington National Cemetery.

Paul isn't listening. He's watching a GROUP of SIX VIETNAMESE
MEN, 70's, at a nearby table. The Men stare back.

PAUL
What da Fuck do dey want?

Everyone looks over. One of the Vietnamese Men waves to Paul.

MELVIN
Chill.

DUC, A WAITER approaches with a round of Drinks, and says something to Vinh in Vietnamese.

VINH
Those Gentlemen would like to buy us a round. They are Former Viet Cong and welcome you back to their Country.

Da Bloods all turn to the former VC Soldiers. A VIETNAMESE Male NGUYEN, HOUANG in a WHEELCHAIR next to him, they nod respectfully to them.

VINH
One of them is my Cousin Nguyen and my Father's younger Brother.

EDDIE
But you are from the South...

VINH
...And they fought for the North. Nguyen does Tours for North Vietnamese Tourists...

Nguyen smiles, he raises his glass again.

VINH (CONT'D)
It turned Vietnamese Families against Vietnamese Families.

The Former V.C. Raise their glasses to the Bloods. Eddie, Otis and Melvin toast their drinks in return but not Paul.

OTIS
Paul...

PAUL
For all we know, one of those Gooks zapped Norm.

Otis sees everyone on the Patio is watching with interest... The slur doesn't slip by Vinh.

MELVIN

Yeah, it's a whole different place.

They pass McDonald's, KFC, Burger King and Pizza Hut.

PAUL

You believe this?

EDDIE

They didn't need us. They just should have sent, McDonald's, Pizza Hut and The Colonel and we would have defeated The V.C. in a week Finger Lickin' Good.

Vinh asks Paul. Eddie takes a Photo of them CLICK!

OTIS (CONT'D)
 Hello... It's me...

12 EXT. TIEN'S APARTMENT DOOR - NIGHT 12

Otis walks to the front door it opens. TIEN LUU, a slender Woman in a Black Dress, stands in the doorway. She stares at him, both speechless. She's nearly his age, but looks Much Younger. Tien and Otis are overcome. They haven't seen each other in Years.

OTIS
 You've hardly changed.

TIEN
 We both know that's not true. But
 Thank You for being so kind.

A well-appointed Penthouse with Floor-To-Ceiling windows overlooking The City. Otis takes in the opulence.

OTIS
 You done very well for yourself.

TIEN
 We find a way.

OTIS

Yes we do... When we can.

13 INT. TIEN'S APARTMENT - DINING ROOM - NIGHT

13

They are eating Dinner and drinking Red Wine.

TIEN

Who do you have with you?

OTIS

Just The Bloods.

TIEN

Bloods. I have not heard that word
in such a long time.

She tries to remember all the names.

TIEN

...And Eddie, Paul, Melvin? They're
good too?

OTIS

Good as they're gonna' get.

She reflects knowing what he means. Otis moves to Tien.

OTIS (CONT'D)

We had a Bond, back then, Stronger
than The War. Hope we can find it
again.

TIEN

Still The Medic, always full of
Hope.

Otis accepts it. Tien goes back to business.

TIEN

The Gold belongs to The Vietnamese
Government. Monsieur Victor
Desroche can convert The Gold into
Cash. He's the only person I know
who can handle a transaction of
this size.

OTIS

You've dealt with him before?

TIEN

Yes. He's very expensive. Could be
Fifteen, even Twenty percent.

TIEN (CONT'D)

There's also the issue of my Cut...
I'll need Ten Percent.

OTIS

There's no other way to move it?

TIEN

International Exports are my
Business. It's why you called me.

OTIS

That's not the only reason.

He waits but no response from her. The Front Door opens...

ANGLE - MICHON

46, Blasian, walks in with groceries, a stunning Professional Woman. She pauses seeing Otis sitting there staring at her.

MICHON

(In Vietnamese)

I believe this is everything you
wanted from The Market.

She sets the Grocery Bags down in The Kitchen.

TIEN

Come here I want to introduce you
to someone.

Otis stands as Michon nears him.

TIEN (CONT'D)

This is my daughter Michon. This is
my Old Friend Otis... From The
American War.

They both stare into each others eyes, shaking hands,
accessing one another. You can see him in her.

OTIS

Very nice to meet you.

It is awkward, stilted, finally.

MICHON

I should go.

TIEN

Thank you, Dear.

Michon leaves, clearly affected. Otis looks at Tien.

OTIS
That Our Daughter?

Tien calmly sits down.

TIEN
Yes.

Otis lowers to his seat, stunned.

TIEN (CONT'D)
She was a Bastard Child of The
Enemy. I was a Whore. Her Father
was a Moi, a Nigger...

Otis listens.

TIEN (CONT'D)
...White GI's taught us that word.
Everyone wanted us out. We were too
Dirty to even clean Toilets. They
call our Daughter a Cockroach.

OTIS
You wanted Michon to meet me.

TIEN
I did.

OTIS
Why?

TIEN
She deserves that. So do you.

Otis is just blown away.

TIEN (CONT'D)
Michon is your Daughter. I ask
nothing of you. You have your own
Life.

OTIS
I came here to see you.

Tien is taken aback, surprised. She studies him.

14 INT. TIEN'S APARTMENT - HALLWAY

14

Otis and Tien stand at The Apartment Door.

OTIS

Why don't you come back to The Majestic Hotel with me and have a Nightcap? I don't want to be alone tonight.

TIEN

That I can't do.

Otis takes her hand and kisses it.

TIEN (CONT'D)

I'll see you at the meeting tomorrow.

OTIS

Good Night... Tien... I Missya.

TIEN

Good Night, Otis.

An Old French Colonial Palace. Ceiling fans. Plantation shutters. Otis enters looking around seeing

IN A SIDE ROOM (OTIS' POV)

VICTOR DESROCHE, 70's, a Gauloises Chain-Smoking Frenchman in a timeless White Linen Suit. He is in the middle of an intense conversation with Tien. She pleads to him in French.

TIEN

Ces hommes signifient beaucoup pour moi. Je veux que tu sois honnête et à l'avant avec eux. Promets-moi de faire ça. (These Men mean a great deal to me. I want you to be honest and up front with them. Please promise you will do that)

Otis stares, listening. Desroche gently touches her face.

DESROCHE

Ah mon chéri, tu sais que je suis toujours honnête et à l'avant. (Ah, My Darling, you know I am always Honest and up Front.)

Paul comes in behind Otis seeing them.

PAUL

What The Fuck they talkin' about?

Tien sees them, breaking it off, approaching with Desroche.

ANGLE - ALL are seated.

Otis observes Desroche's Gold Cuff-Links, Gold Lighter, Pocket Square and Pink Gold Pinkie Ring as Paul, Melvin, Eddie sit across from him and Tien.

DESROCHE

How many did you say you have?

OTIS

How many can you handle?

Desroche smiles but it's more cunning than warm.

DESROCHE

The entire amount.

OTIS

Must be. Two hundred? U.S. Eagle with Serial Numbers.

DESROCHE

That won't be a problem. May I ask how did they end up in your possession?

Paul, Wound-Up Tight, cuts in.

PAUL

You ask a lotta' Goddamn questions...

DESROCHE

Monsieur maybe they're from a Bank you just knocked off in Manila. Maybe the Authorities are looking for them. I don't need that kind of trouble.

Paul sits down. Desroche lights another Gauloises with his
Gold Lighter, then takes a big pull and blows The Smoke Into
The Air.

DESROCHE

One Sided Version of World War II.

Tien tries to reassure Desroche.

TIEN

Detendez-vous, Victor. Permettez-
moi de leur parler. (Relax, Victor.
Let me talk to them.)

Desroche shrugs, crushing his Gauloises Cigarette in a Gold
Ashtray. Tien turns to Otis.

TIEN (CONT'D)

You must understand. He's taking a
big risk...

PAUL

...And we ain't ...De Roach or

STORMIN' NORMAN

We may not get out alive. If we do,
we ain't getting outta' here with
this Gold. So this is what we do.
We bury it. For now. They ask, We
say the V.C. got it. Then we come
back and collect.

PAUL

Steal it?

STORMIN' NORMAN

We ain't stealin' Shit! WE were
the very First People to die for
this Red, White and Blue. It was a
Soul Brother, Crispus Attucks at
The Muthafuckin' Boston Massacre.
We been dying for this Country from

our Black Asses. No Mule, No Forty
Acres, No nothing! Fuck dat! The
USA owe us! We built this Bitch!

OTIS

What you sayin'?

STORMIN' NORMAN

We abscond this Gold for every
single Black Boot that never made
it back home. For all the Brothers
and Sistas that were Stolen From
Mother Africa to Jamestown,
Virginia way back in 1619.

Otis looks at Paul. Eddie and Melvin, ponder it.

STORMIN' NORMAN

We give this Gold to our People not
us.

Desroche lights another Gauloises Cigarette, thinking it over. Then he taps something on his Cell Phone. He shows it to The Vets.

DESROCHE

This is my offer per Kilo, less my Commission.

OTIS

Tien said twenty.

DESROCHE

One can't carry Millions of Dollars through US Customs. The Extra Two Points gets you a Dummy Corporation and a Tax-Free Offshore account in Macau. You can then withdraw the Funds from any Bank in The World.

Paul looks at Tien and Desroche.

PAUL

How do I know you Two ain't a French Toast and Fried Rice Con Artist Team?

DESROCHE

PAUL (CONT'D)

DAVID
When I heard you came here...

Paul goes quiet.

DAVID (CONT'D)

Paul grabs David by the shirt and SLAMS him against the wall.

PAUL
Ungrateful Lil' Black Studies
Teacher Nigga.

David remains totally cool. Which is what scares Paul.

DAVID
Get off me.

David's in much better shape than his Father and he knows it. He let's go, steps away. David smooths out his ruffled shirt.

DAVID (CONT'D)
You want to tell your Bloods or should I?

19 EXT. BALCONY - OTIS' ROOM - MAJESTIC HOTEL - DAY 19

DAVID
Just know I'm takin' a couple of you OG's with me.

PAUL
Don't ever threaten my Son.

MELVIN
Or what?

PAUL
Or you're gonna' have more trouble than you know what to do wit'.

Paul takes a step toward Melvin but Otis blocks the way.

OTIS
Cool it, Goddammit! David, you're not getting an Equal Share. You and your Father can split A Share.

Paul walks off leaving David standing there, gutted. Da

TIEN
 I have a Bad feeling about this.

OTIS
 Tien, I don't care about The Gold.

TIEN
 Then why do this? To find Norman?

Otis digs deep.

OTIS
 Keep thinking about waiting for you
 at the Airport and you not showing.
 I'm still waiting.

He stares at her. She feels it.

Tien hands him A Folded Ho Chi Minh City Newspaper and he
 opens it. Inside is an Army issue 1911-style COLT .45

MELVIN

Who does?

PAUL

Don't like it. Kiss my Happy Black

Cheek.

MELVIN

Well, hopefully the People here
don't know what that really means.

EDDIE

Oh, they know. Everybody knows.

Melvin and Eddie laugh. Paul even cracks a grin.

MELVIN

Hey Eddie, you still got that place
in Vegas?

EDDIE

Nah, Ex Number One got that one.

MELVIN

How about that one in LA? The one in the Hollywood Hills. I really loved that place.

EDDIE

I've downsized quite a bit. Cut way back on my lifestyle. Spend almost 100% of my time in Phoenix now.

MELVIN

You gonna' jump that Broom again?

EDDIE

No, I've learned my lesson. Love and Money don't mix. You gotta pick one. It's either Love or Money not both. NEVER!!!

Melvin and Paul both laugh.

On the other side of The Boat, Otis and David talk quietly.

OTIS

Why'd you follow him here?

DAVID

Felt like my last chance with him. Needs Counseling. Talks to himself.

DAVID
Woo!!! That's some Gangsta Shit. So
how does one end up in The Mine and
Bomb Disposal Business?

HEDY
The Bouvier's has a History in
Vietnam.

She looks over at Eddie knocking them back at The Bar with
his Two New Friends.

DAVID
My Father... we ain't close. Never
would talk to me about it.

DAVID (CONT'D)

Heard him tell somebody being called a Baby Killer didn't bother him as much as being called a Uncle Tom.

HEDY

Uncle Tom? I do not know that term.

DAVID

Uncle Tom, A Traitor to The Race. Everyone was back home fighting for Civil Rights he was here fighting a White Man's War.

HEDY

It's strange how War never ends for those involved. Like the Land Mines. Planted years ago. Still harvesting Death all these years later.

DAVID

Back to your Family History.

HEDY

Well, let's just say... my Family... benefited from The War.

DAVID

Now you got me curious.

HEDY

I shouldn't have brought it up.

DAVID

Hey, I understand...

David backs off. Hedy says it.

HEDY

My Family made several Fortunes owning a Rubber Plantation, then we bought up much of The Rice Market and made another Fortune. WHITE GOLD.

DAVID

Jezzus.

HEDY

Was a wonderful Family Business. One exception, We exploited the Shit out of The Vietnamese people.

She takes a sip from her Drink.

DAVID
So that's the meaning behind The
Mines.

She nods, taking another drink.

DAVID (CONT'D)
What do the Bouvier's Family think
of what you do?

HEDY
What Family?

She covers but David sees it still hurts her.

HEDY (CONT'D)
I joined LAMB three years ago.
Never looked back.

DAVID
LAMB?

HEDY
Love Against Mines And Bombs. I'm
leader of a Rapid Response Team.

David looks at her, listening. Impressed.

HEDY (CONT'D)
I must look like some Patty Hearst
Style Heiress who's cast herself as
a French guilt ridden Liberal
Stereotype.

DAVID
Hey, I know all about Liberal
Stereotypes. I'm a Poverty Stricken
idiot that Loves teaching.

Hedy has to smile.

DAVID (CONT'D)
However, my guilt trip is a little
less dangerous than yours... Except
for School shootings.

Hedy laughs.

DAVID (CONT'D)
I wasn't joking. School shootings
are no FUN.

They shake hands.

SIMON

How's it going?

DAVID

I can't call it.

SIMON

That one of yours over there?

He gestures to Eddie at The Bar. David turns seeing Eddie,

SIMON (CONT'D)

He's getting pretty loaded.

SEPPO

David looks at him, concerned.

DAVID

It's been an emotional trip.

SEPPO

It appears so.

Seppo leans in getting into Hedy and David's Business.

SEPPO (CONT'D)

Do you know how many Children are killed or maimed by unexploded Land Mines each year?

DAVID

I'm sure too damn many.

SEPPO

Do you know most of those Mines were made in America?

DAVID

I didn't know that.

SEPPO

Of course you don't...

SIMON

...Over 900,000 Tons of Bombs were dropped too.

Seppo and David's eyes meet. He is picking a Fight.

SEPPO

You Americans are Criminally uninformed. I guess you're too busy watching Reality TV and electing a Reality TV Clown for a President.

HEDY

Seppo, don't...

David raises his hand like he is being Sworn In.

DAVID

...Well, on behalf of all The Black People of the U.S.A., who are the ONLY group who did not vote for that Muthafucka, we plead innocent to all Charges, Counts, Accusations, Allegations and Associations connected to The Klansman in The Oval Office.

CRASH!!! Glass shatters! Eddie has gone down taking Anh and Nu with him.

DAVID (CONT'D)

Shit.

The Ladies CURSE out Melvin, their Silk Blouses soaked with Beer. David and Melvin, also with Beer on him, help Eddie to his feet.

MELVIN

Eddie is mumbling, laughing to himself. David says to Hedy.

DAVID

I gotta go.

Hedy nods, understanding.

EDDIE

Da Bloods search for Lost

DAVID

...He's loaded.

David helps Melvin and Eddie.

DAVID

EDDIE

...the Lost Treasure of Youth and
the remains of the dearly departed

Third, 1971. We're here to bring
Home a Long Lost Fallen Brother...

The Bar watches as David and Melvin drag Eddie out.

EDDIE (CONT'D)

...A Tomb is sacred. Not to be
looted by Rogues and Vandals...
GOLD!!! There is Gold in Those
Hills!!!

Then the Door BANGS shut and they're gone.

The SUV turns onto a Dirt Road that leads into The Jungle. Vinh's at the wheel. Da Bloods and David are crowded in with their backpacks, fully loaded for The Trail. Tires splash through Mud as the SUV bucks and bounces down the rutted dirt road. Foliage scrapes against the windows.

Otis pulls on his pack, wincing as he tightens the straps, pulls out his phone, hits a button. Otis starts SINGING Marvin Gaye's "WHAT'S HAPPENING BROTHER." Soon all Da Bloods are Singing. Eddie flashes Vinh The Peace Sign. Da Bloods Move Out.

DAVID

How you hangin'?

PAUL

Boy, you ask that every five minutes. Y'know, I did make it through Da 'Nam War on my own, Bukoo Tours too.

Otis trails behind, his Limp slowing him down. Eddie stops.

EDDIE

Hold up. Let Otis catch up.

Melvin removes his Hat and wipes his head with a Bandanna.

MELVIN

Paul, you can still hump it out On Point.

DAVID

What happens if one of us gets Heat Stroke or sprains an Ankle?

EDDIE

Otis is a Medic. A Good One.

David nears Melvin holding out his hand. Melvin gives him some "Dap" teaching him.

PAUL

Even took a couple of rounds out of me once.

MELVIN

From your Black Hairy Ass as I recall.

Melvin gives David a WINK. Otis limps up, struggling. Eddie takes another Drink from his Canteen.

OTIS

What is that?

EDDIE

Water. What? You wanna smell my breath?

Otis backs down, feeling a little Foolish.

OTIS

Let's just keep moving.

As the Men heft their packs on, Eddie surreptitiously unwraps a piece of GUM and pops it in his mouth.

Otis adjusts his pack, wincing in pain. He takes out a Pill, pops it in his mouth, and chews it. Grimacing at the bitter taste, he washes it down with a swig of water.

EDDIE
What are those?

OTIS
Something for my Hip.

EDDIE
I know that! What are they?

OTIS
OxyContin.

Eddie starts LAUGHING.

EDDIE

Otis takes the lid off his Oxycontin and throws them in the Bush. The Pills flying everywhere Lost Forever.

OTIS (CONT'D)

The Guys all know he does. Otis limps off, moving faster than he should, fueled by Self-Pity. Paul holds out his hand.

PAUL

Eddie blows out his Gum, WHOO! Then hands over his Canteen.

MELVIN

Other Animals respond, HOOTING and SCREECHING.

PAUL

DAVID
 They're Leopards out there.

PAUL
 Leopard's are all gone now.
 Poachers wiped em' out.

Paul sees something and stiffens. He crouches down, pulling David with him. The Father Whispers to his Son.

PAUL (CONT'D)
 You see dat?

DAVID
 What?

PAUL

Looked like a Man Movin' out there.

David tries to see it but Paul pulls him back.

PAUL (CONT'D)

It was just a Flash but I saw him.

DAVID

Maybe it was a Monkey.

PAUL

Wasn't no Damn Monkey.

The Two stare into the dark for a long beat.

DAVID

See anything?

Paul slowly rises, looking. It's all clear.

PAUL

Sorry, I've been on edge. Bein' back here. It's not easy.

DAVID

It's Cool.

PAUL

I don't like the way you did it, but I'm glad you're here. Y'know Ya Daddy Loves You. Y'know dat right?

Their Eyes meet. His first sign of Paternal affection.

DAVID

Dad, you got a Funny way of showing Love but I do know that. Love ya.

Father and Son return to the Fire. Melvin fights Mosquitos.

MELVIN

Where's the Bug Spray?

EDDIE

Otis had it last.

Letting Otis sleep, Melvin opens Otis' pack and rummages inside. Removing a Rolled-Up Rag. He unwraps it, revealing

OTIS
You need to check yourself.

PAUL

The Two Men grapple and trade Punches as Melvin, David and Eddie try to pull them apart.

DAVID
Dad! Stop it!

They finally separate The Two. Paul yanks free of David.

DAVID (CONT'D)
What The Fuck's wrong with you?

Melvin holds The Gun looking at both The Chest Heaving Men.

OTIS
Give it to him.

He hands The '45 to Eddie, who passes it to Paul.

OTIS

Paul stares at Otis.

46 EXT. RICE PADDY - MORNING 46

The Sun beats down on the Flooded Fields and the WORKERS in Coolie Hats. It's a Scene unchanged for Centuries.

The Workers turn curious eyes to the Odd Group of Backpackers walking along the dykes staying out of the Muddy Water.

Melvin stops to wait for Otis, who lags even further behind. Eddie checks a GPS against The Topo Map. He sees some Hill Country ahead.

Melvin looks back at Otis, concerned.

47 EXT. HILLSIDE OUTCROPPING - DAY 47

The Men are gathered around The GPS and the Topo Map.

OTIS
We're standing right on top of it.

MELVIN

48

EXT. CRASH SITE RAVINE - HILLSIDE - DAY

48

David plunges The Camp Shovel into The Ground and digs a
shallow trench, flinging loads of Earth Downhill.

He hears an ODD SOUND and stops. He flings another Scoop and
the dirt THUMPS against something HOLLOW...

David drops The Camp Shovel and scampers down The Hill. He drops to his Hands and Knees and feels around in the undergrowth.

Feeling SOMETHING, he excitedly tears away The Vegetation to reveal an expanse of MANGLED, CORRODED ALUMINUM. A faded White "Star and Bar" emblem is painted on the metal.

DAVID

The Metal Detector TICKS in Melvin's HEADSET as he waves The Sensor over The Ground. David and Paul follow along.

Fifty yards away, Eddie paces around while Otis sits on A Rock, catching his breath.

Melvin works The Metal Detector.

MELVIN
I got something!

Paul and David Attack The Ground in a Frenzy of Digging. Eddie and Otis hurry over.

David's Shovel CLANGS against something. He scrapes more dirt away, revealing a Flat Metal Surface...

The top of the LOST STRONGBOX...

The Men have creating a deep trench around The Box, exposing the Top Half.

Melvin and Paul grab the handles on the sides of The Box. They pull hard, muscles straining... SNAP!

...they stumble back falling in The Dirt as The Box disintegrates in a Shower of Rusted Metal Flakes. Paul plunges a Shovel into The Dirt, desperately turning it over.

It's just Earth. Flecked through with Rust and Bits of Metal.

The Men peer into The Dirt. DREAMS CRUSHED TO METAL BITS.

Eddie laughs, bitterly. David watches, Paul laughs too.

And Lo And Behold, despite THE PAIN Otis starts to DO A JIG.

OTIS

Fools Gold.

PAUL

We're Gold Fools.

Melvin can't accept it. He picks up The Metal Detector, puts on The Headphones, and begins sweeping The Ground...

PAUL

Give it up. It's over. Da Jig is Up.

Eddie lights up A Smoke and takes a deep drag.

EDDIE

Well, Fuck it, let's find Norm.

PAUL
To look for Norm.

Paul suddenly stares into The Bush. Otis watches. Paul pulls out the '45. A Paul crouched enters The Brush.

MELVIN

You really think Norm cares whether you find his Remains or not?

EDDIE

Remember what Norm said: The Gold should go to our People.

PAUL

EDDIE
Yeah, on a Black Credit Card that's

They all get quiet.

OTIS
What about all those Car
Dealerships with your name on them?

EDDIE
I don't own them. My Name is still

Eddie is the first on his feet. Otis, Melvin and David follow him over to a spot where Paul is digging.

Paul pulls something out rubbing The Dirt off. It's an AMERICAN M-16 RIFLE.

Eddie kneels next to Paul.

PAUL (CONT'D)

Let me do this.

Eddie stands back up.

CLOSE - PAUL

Digs with both HANDS, Slowly and Carefully.

Paul uncovers part of a Skull with a Dirt-Filled Eye Socket. He digs around the Neck Area finding what he's looking for: A PAIR OF DOG TAGS.

Paul rubs The Dirt off. The Tags read: "HOLLOWAY, NORMAN EARL. 379-46-2286. A NEG. BAPTIST."

Eddie nods. He spreads it out on the Ground. He places Norm's Skeletal remains on it. Melvin helps him. They fold the Flag ceremoniously around Norman's Remains.

The Black Nam Vets have covered Norm's Grave and roped off a small area around it.

Otis lays some Flowers at the base of The Grave.

Otis and Melvin kneel next to The Grave. Paul just stands, watching.

David watches from a few feet away moved by how emotional this is for them.

Paul takes a Knee, Eulogizing.

PAUL

Hey Norm. It took us longer than we thought but we came back, just like we said we would. This time when we get on that Plane to go back to The World you'll be coming with us.

Tears run down Melvin's Face.

PAUL
All good.

OTIS
We should make A Run for that Open
Trail there.

Otis points in that direction.

PAUL
Tien, Da Roach, Vinh. Blood hidin'
Gun in your Bag.

Otis looks at Paul with disgust.

OTIS
You go right ahead and believe
that...

Otis head down takes off with his Back Pack for The Trail.
They all watch him disappear in The Darkness. Eddie decides
to follow. Then Melvin. David looks at his Father and dashes
off. No choice. Paul follows the others down The Trail.

It's Fine Dad.

PAUL

MELVIN

When did you turn into a Grade A
First Rate Certified Tired and
Krazy Muthafucka?

PAUL

When you've been cheated as many
times as I have, you learn to spot
the signs of a Dirty Rat Bastard.

Otis just listens to him. Paul looks at Otis.

A Gold Bar lands at Paul's Feet. Eddie stands there with an
open backpack and throws more Gold Bars at Paul.

EDDIE

How much do you want? Huh?

Eddie throws more Gold Bars.

EDDIE (CONT'D)

That enough? More?

Paul just looks at him. Eddie gets in his face!

EDDIE (CONT'D)

CUT TO: PRESENT DAY

57 EXT. JUNGLE TRAIL - TALL GRASS - DAY

57

PAUL
I don't remember dat.

Otis steps in trying to calm Eddie. He pushes him away.

EDDIE
NAW MAN! I'm tired a trying to make
you Fools Love each other!

Paul just looks at Eddie giving him nothing. Eddie's had it.

EDDIE (CONT'D)
Wanna tear each other apart! DO IT!

Picks up a Gold Bar, walking backwards Pigeon Toed talking to them.

EDDIE (CONT'D)
Was hoping we'd be Bloods one more
time. But no, we ain't never
getting that back. Not with this!

He holds up the Bar still walking backwards Pigeon Toed.

EDDIE (CONT'D)
Traded Brotherhood for this Shit!
Means more than me, DON'T IT, PAUL!

PAUL
Muthafucka walks backward Pigeon
Toed.

Eddie takes out his Cell Phone.

EDDIE
Like a Rapper. Posing wit my Gold.

Holding the Gold Bar, kissing it. He poses for a Selfie with
his Phone. Grinning, the Gold Bar next to his Face like a
Post on his Instagram.

EDDIE (CONT'D)
Out for me, MYSELF and I now! FUCK
Y'ALL. I'M GETTING PAID.

He takes another Pigeon Toed step back...

--DIRT AND GRASS EXPLODE INTO THE AIR.

Eddie vanishes in The Blast. A FLYING GOLD BAR hits David in
the Chest, knocking him back a step. Da Bloods Hit the Deck.

MELVIN
DON'T MOVE.

As Bits of Grass float Back Down Out Of The Air, WHITE SMOKE
OBSCURES The Blast Site -- and Eddie.

Otis pushes past the others into The WHITE SMOKE.

MELVIN (CONT'D)
Otis, Stop!!! It's a Minefield!

Otis ignores him and finds Eddie looking up at The Heavenly
Sky. Eddie's Mouth is Full Of Blood. BOTH LEGS AND ARMS HAVE
BEEN BLOWN OFF and his Bowels are hanging out.

Gold Bars and Chunks of Flesh are scattered around Eddie.

Otis kneels next to A DYING EDDIE.

OTIS
EDDIE!!! EDDIE!!!

Eddie just stares up at THE HEAVENS, mouth moving wordlessly. A Large Bubble Of Blood forms on his Lips, then Pops.

Otis cradles a DYING EDDIE.

OTIS (CONT'D)
It's Otis. I'm here.

Eddie's Eyes Flick over and he seems to recognize Otis. More Blood Burbles up Out Of His Mouth. Eddie's Mouth moves but No More Words come. Eddie SLIPS AWAY.

OTIS (CONT'D)
EDDIE...

But Eddie isn't looking at Otis. He stares Into THE BLUE HEAVENS.

EDDIE
Bye.

Then Eddie is gone. Otis sits there, holding him. By now the White Smoke has dissipated. Otis gently closes Eddie's Eyelids.

David steps on something!!!

WE HEAR A LOUD CLICK - David FREEZES

DAVID
Oh Jesus...

PAUL
What?

DAVID
Jezzus. I stepped on something.

EVERYONE Freezes In Place.

PAUL
Son, don't move.

MELVIN
Muthafucka!!!

David holds tight. Not moving.

Hedy, Simon and Seppo rush toward them emerging from The White Smoke. Paul draws The '45!

DAVID
DAD NO!!! It's Cool!!! They can
help!!!

Paul puts it away. Hedy and the others stop. She instructs.

HEDY
Everybody Freeze!

She looks over and sees what's left of Eddie's Body.

HEDY (CONT'D)
Oh my God...

Seppo notices Eddie's Gold Bars scattered about. Otis points to David.

OTIS
He stepped on something.

Hedy sees him.

HEDY
Could be a Field of Cluster Bombs.

Hedy directs Simon. He uses his Ground Penetrating Radar device searching the ground moving closer to David.

ANGLE - DAVID

Now sweating Bullets. Simon reaches David's Foot. The Device emits a high pitched BEEPING sound.

SIMON
It's a B.L.U., BOMB LIVE UNIT.
Hedy's right, probably a Cluster
Bomb. Blue 26, size of a tennis
ball, but it's enough to tear you
apart in half.

David nods. Paul, Otis and Melvin can only watch.

SEPPO
You've got to lead them out of
there.

Hedy points to Otis.

HEDY

You stay there. And David don't
move.

Hedy points to Paul and Melvin.

HEDY (CONT'D)

You two step back but only step in
your footprints. Nice and Easy.

Paul and Melvin both carefully back away, looking behind
themselves, stepping into their Footprints.

David watches the sweat rolling down his dark face.

Otis also watches holding his breath still clutching Eddie.

Melvin and Paul reach Hedy and Seppo. Safe.

Simon uses the Ground Penetrating Radar to reach Otis.

HEDY (CONT'D)

Slowly lay your Dead Friend to the
ground.

Otis gently lays Eddie down, and slowly gets up and joins
Simon as he leads to SAFE SPOT with the others.

David now stands there alone in the Minefield.

PAUL

What about my Son?

Hedy looks at Simon and Seppo, then to David, concerned.

HEDY

All he can do is lift up his Foot
and Pray to God it doesn't explode.

Otis and Melvin are distraught! Paul is crazed.

PAUL

There's got to be another way.

HEDY

If there is... we don't know it.

OTIS

Fuck... Fuck-Fuck-Fuck!!!

Paul steps away, thinks, then turns to Otis.

PAUL

Jethro Bodine.

OTIS

What?

PAUL

Remember that Big Ass Hillbilly from Oklahoma. Remember he stepped on that Toe-Popper. REMEMBER!

OTIS

Yeah, YEAH!

Paul points to Seppo.

PAUL

Gimme dat Rope.

Seppo produces a good amount of rope from one of their backpacks. He hands it to Paul. Paul goes to David and carefully ties the rope around his waist tightly. David is sweating bullets.

Paul steps away holding The Rope out like he has lassoed David. It stretches out 20 yards. Paul instructs the others.

PAUL (CONT'D)

I need everybody to grab the end.

Hedy, Simon, Otis, Melvin, Seppo they all grab the rope. Paul grabs the end closest to David instructing him.

PAUL (CONT'D)

We're gonna pull you off that Mine before it blows. Just like we did Jethro Bodine. Now on three we all pull hardn' a Muthafucka. GOT IT!

They get it. David looks down at his Foot, a Gold Bar, near it. He then looks at Paul, who nods to him.

PAUL (CONT'D)

Don't worry, Son, I got you. ONE!!!

All the hands tighten their grip around The Rope. It becomes taunt and tight. David watches, sweating, eyes frightened.

PAUL (CONT'D)

TWO!!!

The hands tighten more. David's eyes grow larger.

PAUL (CONT'D)

THREE!!!

They pull HARD and David flies in The Air and off The Mine as it explodes! BOOM!!!! Everyone pulled so hard they fall to the ground like The Tug Of War Game.

David lands on his Father. He quickly turns around and looks at his feet and the sole of his Boot is smoking. In a panic, he kicks off his Boot examining his foot. It is fine.

On the ground, David hugs his Paul tightly. Their first moment of Father and Son love.

Everyone erupts into Joy and Laughter! Otis and Melvin join them helping the Two get to their feet. It is a nervous burst of Relief and Celebration.

Simon and Seppo pat David on the back joining the Celebration. David's face falls looking over seeing his Father...

ANGLE - PAUL

pointing the '45 at Hedy, Seppo and Simon.

PAUL

Git on your Knees. All Three of you.

Everyone is stunned. David raises his hands trying to calm.

DAVID

Dad...

MELVIN

Put dat Damn Gun down! NOW!!

PAUL

We're compromised!

Hedy, Simon and Seppo slowly raise their hands.

SEPPO

Okay, Okay. Just stay Cool.

HEDY

Whatever you're doing, it's none of Our Business. We can just go.

PAUL

The Sound of dat Blast traveled for Miles. Whoever's followin' us, is on their way here, right now.

PAUL (CONT'D)

David, get Eddie's Gold. We gotta
get the Fuck outta here!!!

David doesn't move. Melvin stands there in Shock...

MELVIN

Are you serious?

DAVID

We gotta tell someone about Eddie.
The American Embassy...

PAUL

...We're not tellin' Nobody
Nuthin'.

MELVIN

SLOW THE FUCK DOWN!!!

OTIS

We have to bury Eddie.

PAUL

Are you Deaf! We got to get Da Hell
outta' here. NOW!!!

Otis Finally Loses It.

OTIS

I'M NOT LEAVING EDDIE LIKE DAT!!!

Hedy stands up.

HEDY

Just let us help you...

Paul wheels the '45 toward them!

PAUL

...Can you bring back The Dead?
Huh? HUH? I said ON YA KNEES. NOW.

Hedy joins Simon and Seppo on their Knees. Afraid for their
very Life.

PAUL (CONT'D)

David, get Da Rope. Tie 'em up!

DAVID

Not doin' it.

OTIS

Let's talk about this.

PAUL
 You're not givin' Da orders! I'M
 RUNNIN' SHIT NOW.

ANOTHER CLUSTER BOMB GOES OFF!!! Sending everyone to the ground.

Paul turns toward The Blast as Seppo lunges to his Feet hurling himself at Paul. The Two Men crash to the ground. Seppo is Younger and Stronger but Paul's a Man Possessed.

SEPPO
 Get The Gun!!!

Simon lunges to help. Everyone is against each other. Melvin stops Simon. David grabs Seppo from behind. Otis grabs Paul but he slings him off!

Paul pistol whips Seppo across The Face knocking him away, who grabs his Face in pain! Paul shakes Otis loose, standing over Seppo, The '45 pointing down at his Bleeding Face.

PAUL
 Boy, I have killed far better Men
 than you. I won't hesitate to plug
 a Hole in you.

Paul looks at David.

PAUL (CONT'D)
 Tie em up!

ANGLE - DAVID

looks over at Hedy. Who gives him a challenging glare. "Do it and we are done."

PAUL (CONT'D)
 You want your share? Tie em up!

David still doesn't move.

PAUL (CONT'D)
 You wanna remain my Son... then get
 at it.

Paul grabs The Coil of Rope and tosses it to his David. Otis holds a rag to Seppo's face, watches. Melvin looks at Paul. David picks it up and reluctantly ties up a disgusted Hedy.

HEDY
 I had you pegged wrong.

David finishes tying her. Otis presses a rag to Seppo's laceration. He steps away from Seppo as David ties him up. Paul says to Melvin and Otis.

PAUL
You got something to say?

Otis and Melvin just stare at him, Silent.

58 EXT. JUNGLE TRAIL - TALL GRASS - DAY

58

Paul nears Simon, instructing.

PAUL
Navigate us through The Mine Field.

Simon nods using the Mine Sweeper. Paul taunts The Attackers.

PAUL (CONT'D)
Try to follow us now, Bitches.

Otis and Melvin drag Eddie's Body into A Thicket. Otis places a Blanket over him. He then picks up EDDIE'S CAMERA. He stares at it, wiping it off, reflecting on his Friend.

Hedy, Seppo and Simon nearby watch, their Wrists bound.

Eddie's Blood Speckled Gold is stacked up into Four Piles.

MELVIN
We should give Eddie's share to his Family.

Otis looks over at The Four Piles.

PAUL
It's the Right Thing to Do.

MELVIN
What about your Son?

PAUL
Yeah, that's my Boy. He gets a share.

David stares at him.

PAUL (CONT'D)
Deal?

Melvin and Otis nod, agreeing.

Paul goes over and starts putting his Stack in his Backpack. Melvin and Otis step away, speaking quietly.

MELVIN

Need to get that '45 away from him.

OTIS

Tonight. When he's sleeping. In the meantime, don't argue with him. We'll find our moment.

Simon has finished marking The Mines with A Trail of LITTLE RED FLAGS.

Otis and Melvin stand over Eddie's remains, Their Hands Covered with His Blood.

MELVIN

So long, Blood. Rest In Peace.

Simon navigates The Minefield using the ground penetrating Radar. Paul follows, holding Simon by A Rope Leash, The '45 trained on his back.

Otis and Melvin slowly get their Packs. David pulls on his Pack, then tries to help Hedy along. Hedy jerks away.

They walk into the Minefield, dodging the Flagged Areas. David and Otis follow. Melvin brings up the rear, plucking The Red Flags out of the ground as He goes...

59

EXT. JUNGLE TRAIL - TALL GRASS - DAY

59

The Vets and The Hostages hump down The Trail. Paul, Simon, and Melvin are in The Lead. David, Hedy, Seppo and Otis bring up The Rear. Seppo gives David a hard time.

SEPPO

I can't believe back at that Bar I was actually jealous of you.

David looks at him.

SEPPO (CONT'D)

You seemed so fuckin' sure of yourself. Should of known you were actually a Spineless Fuckin' Rat.

Hedy says nothing.

SEPPO (CONT'D)

Hedy, you couldn't still want him knowing his demented Father is about to murder us.

DAVID

Seppo, SHUT UP.

HEDY

David, he is going to Kill us. You know that, right?

David looks at her. Paul, up front, shouts back.

PAUL

I said shut the Fuck Up back there!!!

They all go quiet. Otis watches it all.

60 EXT. CAMP SITE - JUNGLE - NIGHT

60

Paul, Melvin and Otis look over The Topo Map.

OTIS

Can we call Vinh and let him know The Rendezvous Point has changed?

PAUL

Vinh's out. He's in Cahoots wit' those Charlies. Right, Traitor?

OTIS

If you don't trust me then just shoot me when you Kill them.

Hedy, Seppo and Simon react their backs against a Tree tied up. Paul stares at them for a long moment. Scary. Paul steps away. Otis and Melvin exchange looks.

61 EXT. NEAR CAMP - NIGHT

61

Paul lays near Camp, 30 Yards away, scanning The Jungle with Night Vision Binoculars. Melvin crawls over and joins him.

MELVIN

We'll never get our Money out of The Country with those Three alive.

Paul turns to Melvin and gives him a long hard look.

PAUL

How?

MELVIN

With your Blade. March 'em into The Jungle. Quick and Quiet. In the morning, we'll tell David and Otis they escaped.

Paul ponders it, nods, agreeing to it.

PAUL

Okay, but You gotta do one of them.

MELVIN

What?

PAUL

I gotta know you're not going to turn on me later. It's the only way.

MELVIN

Fine. But you have to do The Mademoiselle.

Paul nods. DONE DEAL.

PAUL

With Pleasure.

62

EXT. CAMP SITE - NIGHT

62

Hedy and Simon are tied to A Tree. Otis is resting his Eyes.

HEDY

I need to Urinate.

David unties Hedy leading her into The Jungle.

HEDY (CONT'D)

Could you untie my Hands please?

David mulls it over.

HEDY (CONT'D)

David, don't you want the First Time you unzip and remove My Pants to be under better circumstances?

DAVID

Not Buyin' It. Ya Ain't Playin' Me.

Hedy raises her hands. Please. A Beat, then David unties her.

Hedy pulls down her Pants and Squats. David turns his head, stares past her, into The Darkness.

HEDY

Were you flirting with me the other night because you were just looking for an Easy Fuck or because you were actually interested in me?

DAVID

Actually... I'm interested.

HEDY

Why?

DAVID

Because you left your Rich Family behind to try to do something good, Help People. And Ya Fine Too! Ain't Gonna Lie.

She stands, pulling up her pants. David shifts his gaze and makes eye contact with her.

HEDY

Then let me go. Give me a Ten Minute Head Start. All I ask.

Hedy steps closer to him, eyes pleading, and puts A Hand on the back of his neck as if she might Kiss David...

HEDY (CONT'D)

Please.

David Kisses Hedy and She Kisses him back. It's Fierce, Desperate, Raw...

PAUL (O.S.)

Hate to Cock Block... Son. She Fine Tho!!!

Hedy and David turn finding...

ANGLE - PAUL AND MELVIN

standing there. They have Simon with them, Hands Bound. Hedy and David separate. Paul directs David with The Knife.

PAUL (CONT'D)

Back to Camp.

Melvin pulls The Rope from David's Hand tieing Hedy's Hands.
Hedy stares at David. Paul has a closed Deadly Look.

MELVIN

Better do what your Father says.

David is Face to Face with his Father.

DAVID

Better not hurt them.

PAUL

Or what?

Melvin and Paul push Hedy and Simon on into The Jungle.

HEDY

David, you're a worthless Fuck.

Hedy shouts not looking back at David.

HEDY (CONT'D)

Just so you know, I was only trying
to get away! I wouldn't Fuck you
for all the Gold In The World!

Paul lets out a Big Guffaw! HA!

PAUL

See, told you 'bout Fuckin' wit'

Hedy CURSES UP a FRENCH PROFANE STORM AT EVERYBODY.

David stands there. Then he turns looking at something...

63

EXT. A SMALL CLEARING - JUNGLE - NIGHT

63

Melvin pushes Hedy, Seppo and Simon against a Large Tree.

PAUL (CONT'D)

This'll work.

DAVID (O.S.)

Dad.

Paul turns and Otis swings his Bamboo Walking Stick across
his face SMACK!!! Knocking him down.

ANGLE - OTIS, DAVID AND MELVIN

Jump On Paul. Melvin has a Knee in Paul's Back pinning him down. They get The Knife and Gun from Paul. Seppo bolts off! He dashes into The Jungle, escaping.

Hedy and Simon start to run. Otis points the Gun at them.

OTIS

Hold it.

Hedy and Simon Freeze.

PAUL

Get Off me! DAVID!

DAVID

Let it go Dad!!!

They climb off Paul having tied him up. He sits bleeding above his Left Eye from The Blow.

Paul looks up at Otis, SEETHING. Then laughs, sarcastic.

PAUL

I knew it! Another Muthafuckin' Dope Fiend Double Cross. Don't you see what Otis' doin'? Playin' right into his hands, Fool!!! Dis iz some straight up Subterfuge, Shenanigans... Skullduggery.

Otis looks around frantically and sees David standing there watching, pity in his Eyes.

PAUL (CONT'D)

You're with them now? My own Son?

David looks away.

PAUL (CONT'D)

Ungrateful Bastard! You're no Son of mine! Hear me!!! You're Dead to me!!! Buried!!! Gone!!! Fuckin' Coward!!!

Otis steps away with David and Melvin. Discussing quietly.

DAVID

If we don't let them go now we cross the line into Kidnapping.

OTIS

Yeah, give up The Gold. It's over.

MELVIN

Man, I can't do that. I need this.
My Family needs it.

PAUL

My Sherry More.

HEDY

What do you want?

PAUL

I'm really a Good Guy. I like

PAUL

Hedy has to SMILE.

HEDY

Vive La France.

Hedy looks at the others.

HEDY

Aren't you going to let us go!

Melvin goes quiet. She looks to David, who looks at Otis.

OTIS

Soon.

She SCREAMS OUT IN MAD frustration. Crazy Paul watches tied up.

PAUL

He's callin' his Partners. Makin' plans to Kill you Dumb Fucks!

OTIS

Vinh, it's Otis. There's been a change of plans.

Otis on the phone steps away. Melvin kneels before Paul. David standing over him.

MELVIN

If you can behave yourself, we'll let you put your pack on. You can carry it out like the rest of us. Your call.

Paul looks up at him, Broken. Melvin turns to Hedy and Simon.

MELVIN (CONT'D)

Follow along with us. Try anything Stupid. You answer to Him.

Paul stares a seething Mass Of Madness.

64 EXT. ROAD'S END - MORNING 64

A Dirt Road ends in a small clearing. Vinh leans against The SUV, passing the time with a Sudoku Puzzle Book.

65 INT. JUNGLE - CLEARING - MORNING 65

Vinh peers into The Morning Mist and sees Figures emerging from The Jungle. Melvin sees Vinh up ahead in the clearing and raises A Hand.

He recognizes Melvin in The Lead and SMILES.

The Smile fades as he spots Hedy and Simon and notices Eddie is missing. The Group is beyond exhausted. They're Hungry, Thirsty, covered with Mud and countless Scratches.

VINH

You have had quite An Adventure.

Melvin and David reach Vinh first. He reaches out to help Melvin remove his pack.

MELVIN

I got it. Thanks.

Hedy, Simon and a Paranoid Paul follow. Otis struggles up The Hill. Vinh rushes over to help him up.

VINH

Where is Eddie?

OTIS

Broke his Ankle. We left him with Food and Water...

VINH

...I would have brought help. Why didn't you call?

OTIS

Eddie insisted... Stubborn like a Mule.

VINH

This is very bad. I knew you should not go alone. I have a Friend in The District. He'll send a Rescue Group.

Vinh pulls out his Satellite Phone. Otis and Melvin react.

OTIS

How would you like to make the most Money ever in your Life?

Vinh smiles. Then he notices The Blood on Otis' Pants.

VINH

Eddie did not Break an Ankle, did he?

The Vets exchange a look. Otis decides to come clean.

OTIS

No.

VINH

You Kill him?

OTIS

No, no. Mine Field.

He's interrupted by the sound of an APPROACHING VEHICLE.

PAUL
Otis, it's your Partners!!!

A Jeep rolls up in a cloud of dust, blocking the SUV. TWO VIETNAMESE MEN with AK-47s hop out. Meet BAO and TAM.

VINH
Do you know these Men?

A VOICE SHOUTS in The Distance. Quan and his Brother Chavy. As they approach, they reveal..

ANGLE - SEPPO

who has been captured and is now their very frightened Hostage. He is tied up and looks even the worse than he did when he was with the Bloods. Quan calls out to Vinh.

QUAN
Chúng tôi muốn vàng của chúng tôi.
Cho nó lên (We want our Gold. Give
it over.)

VINH
He said you have his Gold.

PAUL
Forget that!!!

Quan approaches Otis, who tries to stand firm but is Edgy.

QUAN
We trade your Friend for Gold.

PAUL
He ain't our Friend!

SEPPO
Hedy!!! For God sakes help me!!!

HEDY
David, you've got to help him.
Otis, Please!!!

Otis looks at her. He says to Quan pointing at Seppo.

OTIS
We want him alive.

Quan moves to Otis and points to bag. He grabs for The Bag, ripping it and his Gold drops to the ground! THUD!!! Quan picks up a couple of Bars grinning holding them up for his Men to see. JACKPOT.

Melvin closes his eyes, Fuck. Quan stunned. Smiles. Jackpot.

MELVIN

FUCK!!!

OTIS (CONT'D)

Listen. We can share it. There's more than enough for everyone.

Amused, Quan translates for his Men:

QUAN

Ông mu?n chia s? nó v?i chúng
tôi. (You want to divide, which is
ours?)

They laugh again.

QUAN (CONT'D)

I like you, Black Uncle Sam. Okay,
We share.

He takes Otis' Hand and slaps a Single Bar into his palm, hard, then crushes Otis' Fist with his own. Otis grimaces.

QUAN (CONT'D)

This share for you. Rest for us.

Quan shoves Otis.

QUAN (CONT'D)

Big Man mu?n chia s? ngay bây gi?
(Big Man wants to share now?)

They laugh at their Leader's witty remark.

Otis gives Melvin a look. Melvin has The '45. He slowly brings his hand toward his waist.

Quan stops smiling and turns to Paul, trying to stare him down. But Paul's not afraid. He's ready to explode.

DAVID

We're Americans. If you kill him...

David points at Seppo.

DAVID (CONT'D)

...or us, you've got an
International...

QUAN

...We not kill anyone.

OTIS

You hurt that Young Man, you get nothing. Hear me, nothing!

Quan grins to himself.

QUAN

Black Uncle Sam, this belong to Vietnamese People. We take what is ours. Dat vàng trong jeep. (Put the Gold in The Jeep.)

PAUL

Boy you ain't takin' what's ours. Look on there it says USA.

QUAN

You USA?

PAUL

Muthafuckin' right.

Quan nears Paul yanking off his Trump hat, pulling out a wicked-looking Combat Knife, holding it to his face.

QUAN

That say USA but I don't think so.

PAUL

Believe it. Who the Fuck are you?

QUAN

We... Vietnam Officials.

Otis and Melvin watch Bao and Tam boldly grab Two of The Gold Packs and put them into The SUV.

PAUL

Where are ya Official Badges?

QUAN

We don't Need No Stinkin' Official Badges.

Paul says nothing. Quan turns away from him glares at Paul.

QUAN

Do You Know Calley? Brother.

PAUL

You ain't no Brother of mine... Hell Yeah, I Know California.

QUAN

You imbecile. Not The State. Lt.
Calley. Ever Heard Of My Lai?

PAUL

I Know 'Bout My Lai... And...

QUAN

...You GI's Are Murderers. Killers
Of Innocent Children.

PAUL

There were Atrocities On Both Sides
Mister Victor Charlie So Go Chew On
Some Chopsticks.

QUAN

Black Uncle Sam, I'll show you
Chopsticks.

Quan spins Slashing at Paul but he sidesteps The Knife.

Seppo panics and RAMS into Chavy knocking him to the ground.
He takes off running!

AN EXPLOSION!!!

Seppo vanishes. White smoke and haze is everywhere! Hedy and
Simon SCREAM in horror! Everyone is stunned. Seppo has
stepped on a mine. Through the white smoke David CHARGES
Quan!

DAVID

DAD!

Chavy spins FIRING hitting David in the leg! He goes down!

Paul seizes Chavy wrapping an arm around his throat. With his
other hand, he pulls a KNIFE from Chavy's belt plunging it
into him as he SCREAMS until he collapses.

By the Jeep, Bao and Tam, drop The Gold getting their AK's.
Otis gesturing with open palms to Bao and Tam.

OTIS

Don't shoot! Không ban!

Paul snatches Chavy's AK and aims as Bao and Tam do the same.

Quan rushes to his Wounded Brother as Melvin whips out The
'45. Bao and Tam open FIRE! Paul and Melvin FIRES BACK!

Hedy and Simon dive into The Ditch. Otis hits The Deck!

Quan presses his hands to Chavy's stab wounds, but it's hopeless. The Man is Bleeding Out. He's near Death.

QUAN

Chavy... CHAVY không chet! (Chavy don't die!)

Vinh pulls a Norinco M-77 HANDGUN from beneath The Driver's seat. Quan picks up his AK marching toward Paul, SHOUTING!

QUAN (CONT'D)

Các Muthafucker các! (Die Muthafucker Die!)

Quan sprays wildly just missing David, who is hit in the thigh, crawling for cover. Otis dashes into the Gunfire grabbing David dragging him in the Ditch with Simon and Hedy.

Vinh FIRES at Quan sending him to the ground for cover.

Paul and Melvin SHOOT Bao several times. He goes down badly wounded. Quan dashes to the SUV and grabs several of the Back Packs of Gold. Paul sees Quan dragging The Packs to The Jeep.

Tam goes to help Quan. Paul FIRES. Rounds THUNK against The Gold Bars. Vinh FIRES and hits Tam in the leg!

Quan lets go of The Bags and RETURNS FIRE. He grabs the limping Tam and gets him in the Jeep.

Tam screams FIRING forcing Paul back. The Jeep reverses, Quan SPEEDS OFF as Paul FIRES! Bullets ricochet off the tailgate. The Jeep vanishes in a cloud of dust.

ANGLE - VINH

You've done Okay for yourself.
Why you need it so bad?

OTIS

I'm a God fearing Man and Da Lawd knows I've been blessed with a Great Woman, Cindy. I'm the Luckiest Man in The World but between you and me sometimes, I don't feel that way. I feel like a Bum. The Bum who couldn't provide as much as he should have for his Saint of a Wife and Kids. Back when we were in College all those Bougie, Light Skin, Green Eyed, Curly Hair, Ralph Lauren, Polo Wearing and Shiny Penny Loafing wearing Dudes were all over My Cindy like White on Rice. Cindy had her pick, coulda been living a Good life, Summer Home in Martha's Vineyard and whatnot but she didn't Love Em'. Big Money or not. Cindy Love Me. Married Me. I pleaded with her, told her I'm not that Guy, I'm just a simple Working Class Brother. Cindy, said "I Love You". I wish I coulda got her all the nice things she truly deserved. From Day One we have been living from Paycheck to Paycheck, trying to make Ends meet. I did the Best I could.

OTIS (CONT'D)

Kept Roof over our Heads, hand me
down clothes on our Kids backs,
Food on The Table, Cindy was a
great Writer in College but gave it
up and took a job as a Librarian,
never wrote one Single Word again-
Ever. Only Reads. Cindy sacrificed
her artistic Life for my Black
Broke Ass and our Kids. I Blame
myself. Blood this is my Last and
Final Chance to make it up to my
Partner in Life, for her to live in
comfort the years she has left.
Maybe Cindy can start to write that
Novel she always talked about. I
will send our Grandchildren to
College. My share of this Gold is
for Cindy so help me God. If I go
out, I need to go out like a Man.

MELVIN

Morals and Ethics. Sound like
Stormin' Norm.

OTIS

Keep hearing his voice telling me
to get right, to Do Right. You

killing him!

Otis sees Melvin in The Line of Fire. He rushes out and OPENS
UP on Desroche and The Three Gunmen by The Jeep!

The Other Bandit PULLS THE PEN on his Grenade as Otis turns
shooting him in The Head! He drops the Grenade and it rolls
out away from The Building toward...

Melvin and Otis. He pushes Otis away and leaps on The Grenade
SMOTHERING the EXPLOSION with his OWN BODY.

Otis on the ground looks over at Melvin, Dead, having just
saved his Life.

CLOSE - HEDY

Collapses against the wall horrified. Davis is SPEECHLESS!

Desroche and The Three Gunmen FIRE on Otis, who is in the
middle, with No Cover.

Otis is HIT in the Side, Shoulder and Leg. He is knocked to
the ground by all the wounds, losing his '45. He lays there
bleeding badly reaching out for The Gun.

Desroche steps through the lingering Grenade smoke standing
over Otis with the La Hu Tracker and the last Two Gunmen.

Vinh gets to his feet and stumbles to the doorway.

Desroche stands over Otis looking down at him.

DESROCHE

I'm afraid you are dying my Friend.

Desroche lights a smoke stepping on his wound. Otis SCREAMS!

DESROCHE (CONT'D)

Your Black Brothers are all Dead.
You have No One left. It was a
valiant effort My Friend but you
have lost. Now. Where is The Gold?

With all the strength Otis can muster.

OTIS

5 Bloods Don't Die, We Multiply.

Otis spits Blood on Desroche's Pants Leg. The Lahu Tracker raises his Rifle to SMASH him to death. Desroche stops him removing the Luger from his Pants.

DESROCHE

Allow me.

He points The Gun down in Otis' face. He closes his Eyes.

BAAM! Desroche stands there, then Blood runs down his Face.

Desroche falls, shot through the back of the head. Dead.

CUT TO:

David opens his aiming eye, sweat pouring off him, his arm stretched out on the shoulder of Hedy, who served as his tripod steadying his aim for The Shot that Killed Desroche.

ANGLE - TEMPLE

SEVERAL VEHICLES ZOOM UP!

Men with Guns pour out! It is Nguyen from the Apocalypse Now Night Club, he is with his Viet Cong V.C. Vets. They hold weapons staring down the Lahu Tracker.

The Lahu Tracker is No Fool. He waves off the others. They slowly walk to The Jeep, climbing in and driving off.

NGUYEN

Office we worried.

Vinh exhales a deep sigh of relief.
